

BIN DAY POSTPONED

Covid 19 restrictions has made offering the Bin Day in May not possible this year. Your Board has decided to postpone and schedule a Bin Day in early October or late September if permitted by the City and health authorities.

ECO centres are quite busy but nevertheless open for your "deposits".

Surround Fence Projects

This summer two homeowners have begun to rebuild their portion of the fence that surrounds our community. Thanks are extended to these homeowners as they work to improve the attractiveness of our community. The Association has a program of partial subsidy to encourage this fence rebuilding. If any other homeowners are considering a fence rebuild or repair please contact us through our email address or by talking with a director.

Two other homeowners that rebuilt their portion of the surround fence earlier have agreed to have the Association paint the exterior of their fence in the standard colours of the rest of the surround fence. Painting will proceed later this summer.

River Ridge Homeowners Association/Ridge Community League

These are two separate and distinct organizations both well worth supporting with your signing up for membership.

River Ridge Homeowners Association

A voluntary organization committed to activities designed to maintain and enhance the River Ridge community and build a strong sense of community among homeowners. Funding is exclusively through membership fees which are \$100. per calendar year.

Ridge Community League

This organization is the local version of a series of community leagues established across the City of Edmonton. It is a gateway to various sports and recreation activities as well as a vehicle for organizing community events. Membership fees are \$45 for a family and \$30 for an individual. Additional funding comes directly from the City.
